

Santee's Hometown Heroes Banner Policy

Purpose:

This Hometown Heroes Banner Program Policy ("Policy") is intended to establish guidelines for the City's exhibition of City banners ("Banners") on the City light poles along the Veterans Memorial Bridge (Mast Blvd Bridge: Between Pebble Beach Drive & Fanita Parkway) and Weston Road and Carlton Hills Boulevard ("Light Poles"), and for the City's operation of a City Hometown Heroes webpage ("Webpage"), each of which will feature a qualifying veteran or servicemember connected to Santee who has served, is currently serving, or given his or her life in service in the United States Armed Forces ("Honoree").

The City's Light Poles, Banners, and Webpage are not intended to serve as forums for free expression by the public. The Banners set forth in this Policy may be displayed by the City on the Light Poles as an expression of the City's official sentiments, and the Webpage may be maintained by the City as an expression of the City's official sentiments. The City desires to use each of these locations solely to express its support for veterans or servicemembers connected to the City who are serving, have served or have given their life in service in the United States Armed Forces, its support for the City community, City residents, and City history, and its support for the United States Armed Forces, consistent with this Policy.

The City Manager or designee is responsible for proper execution of this Policy.

Banners:

The Banners will feature the faces of selected Honorees who meet all criteria below, following submittal of a complete application, compliance with this Policy, and City final approval. The City will create the Banners and display the Banners on its Light Poles.

City will install Banners three times a year on a four-month cycle, or as otherwise determined in the sole discretion of the City Manager or designee. Cycles listed below:

Cycle C: July – October

After the four months cycle the banners will get moved off the Veterans Memorial Bridge and onto Light Poles between Weston Road and Carlton Hills Boulevard. The banners will be on display for a year total including the four months on the Veterans Memorial Bridge.

Banners are solely property of the City. The City may alter, remove, replace, or take other actions with respect to the Banners at City's discretion to fulfill the purposes of this Policy.

Unauthorized materials obstructing Banner locations on Light Poles, or otherwise inconsistent with applicable laws or policies, will be removed from the Light Poles.

The City may alter, remove, replace, or take other actions with respect to the Webpage and Webpage Honoree features at City's discretion to fulfill the purposes of this Policy.

Honoree Eligibility:

The eligibility of an Honoree, and the validity of an application, are contingent on several requirements.

To be eligible for City consideration, an applicant must demonstrate to the City's satisfaction that the Honoree is an active-duty servicemember, or is or was a veteran who was honorably discharged from, or who gave their life in service of, the US Armed Forces (limited to the Air Force, Army, Coast Guard, Marine Corps, Navy and Space Force).

Eligibility is also conditioned on the Honoree having no history of criminal convictions of violent felonies as defined by California Penal Code 667.5 or equivalent offenses in other states.

If any of the above criteria for eligibility are not adequately demonstrated, the City shall remove the application from the City's consideration, return any application materials submitted by the applicant, and notify the applicant.
